## Rider for Terms

### **Sleeping requirements**

Somewhere to sleep for 4 people. Hotel/hostel is preferred and two rooms (2 people per room) would be the best but if it is absolutely not possible it is OK with one room. Toilet always required and shower if possible. There must be one bed for each person (if there's a double bed it's ok in worst case). We will not sleep on the floor in some cold room somewhere, if the requirements above are not met you will have to book us into a proper hostel or hotel and provide the travel to it.

### **Payment / travel costs**

Either we get paid a fixed amount of Euros depending on the venues conditions. Or you help VANHELGA with the travel costs from Sweden to the Venue and from the Venue to the next place. If VANHELGA are provided a car with a driver it is important that the car only belongs to members & friends of VANHELGA and no other bands or random persons.

### **Food & drinks**

We require food & drinks for 4 people before the show and/or after. Water, beer & sodas (in worst case only Water is enough). Food can be anything except raw meats. On stage we always need water.

### **Merchandise**

VANHELGA are allowed to exclusively sell their merchandise at the show/venue.

### **Soundcheck**

We require soundcheck before we do the actual show in front of an audience. In worst case line-check can also be an option.

### **OTHER**

There must be access to functioning toilets including toiletpaper.

**IMPORTANT: We absolutely need to have soundcheck before going on stage!**
